1. Spouse;
2. child or children;
3. parents;
4. siblings; or
5. estate of the Insured Person.

Claim Forms

The Company or its designated authorized agent will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the Company received notice of claim, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in the Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which the claim is made. The notice should include the Insured Person's name, the Policyholder's name and the Policy Number. Any forms that may be required to be provided under this subsection may be provided in electronic or paper form.

Notice of Claim

Written notice of claim must be given to the Company or its designated authorized agent within 30 days after the occurrence or commencement of the Insured Person's Covered Loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company or its designated authorized agent, with information sufficient to identify the Insured Person, is deemed notice to the Company. Any notices that may be required to be provided under this subsection may be provided in electronic or paper form.

If an Insured Person dies before all payments due have been made, the amount still payable will be paid to His beneficiary as described in the Beneficiary Provision.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to a parent, guardian, or other person actually supporting Him. If the payee has no legal guardian for His property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges liability to the extent of the payment made.

Time of Payment of Claims

Benefits payable under the Policy for any loss other than loss for which

the Policy provides any periodic payment will be paid immediately upon receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which the Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

Conditional Claim Payment If the Insured Person incurs expenses for Covered Injuries and in Our opinion a third party may be liable, the Company will pay benefits if the Insured Person first agrees in writing to refund the lesser of:

1. the amount the Company actually paid for such expenses; and
2. the amount actually received from the third party, regardless of whether the amount is for such expenses, and the third party's liability is determined and satisfied whether by settlement, judgment, arbitration or otherwise. However, if the third party's liability is satisfied in an amount less than the benefits paid under this Policy, the Company will pay the difference.

Legal Actions No action at law or in equity will be brought to recover benefits under this Policy less than 60 days after satisfactory proof of loss has been furnished as required by this Policy. No such action will be brought after expiry of the applicable statute of limitations from the time proof of loss is required to be furnished under this Policy.

Physical Examination And Autopsy The Company, at its own expense, has the right and opportunity to examine the Insured Person when and as often as the Company may reasonably require while a claim is pending and to make an autopsy in case of death, where it is not prohibited by law.

Proof of Loss Written proof of loss must be furnished to the Company within 90 days after the date of the Covered Loss. In the case of a claim for loss of time for disability, written proof of such loss must be furnished to the Company within 90 days after the commencement of the period for which the Company is liable. If the loss is one for which the Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as may reasonably be required. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to furnish proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required. Any forms that may be required to be provided under this subsection may be provided in electronic or paper form.

Subrogation The Company has the right to recover all payments including future payments, which the Company has made, or will be obligated to pay in the future, to the Insured Person from anyone liable for the Covered Loss. **NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE
SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Important Disclaimer

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FOR COVERAGE

However, persons holding such policies are not protected by the Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy forms, claims based on misrepresentations of policy benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer.

LIMITS ON AMOUNTS OF COVERAGE

The Guaranty Association in no event will pay more than what the insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the Guaranty Association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health insurance, not more than \$500,000 for basic hospital, medical and surgical insurance, not more than \$300,000 for disability insurance, and not more than \$100,000 for other types of health insurance; and (iii) for annuities, not more than \$100,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to benefits for basic hospital, medical and surgical insurance, for which the aggregate liability of the Guaranty Association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

ADDITIONAL INFORMATION

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdlifega.org, which contains a link to SDCL Chapter 58-29C.

State law provides that any suit against the Guaranty Association shall be brought in Hughes County, South Dakota.

AXIS Insurance Company values its relationship with you. Protecting the privacy of the information we have about you is of great importance to us. We want you to understand how we protect the confidentiality of information as well as how and why we use and disclose it. We are required by law to maintain the privacy of protected health information and to provide you with notice of our legal duties and privacy practices with respect to this information. HOW WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

We use and disclose your Protected Health Information (PHI) for the purposes of your treatment, for payment and for health care operations. Not every use or disclosure in a category is listed. However all of the ways that we may use or disclose PHI will fall within one of these categories.

Your Authorization: Except as outlined below, we will not use or disclose your PHI for any purpose unless you have signed a form authorizing use or disclosure. You may take away this authorization at any time, in writing. We will then stop using your PHI for that purpose. But, if we have already used or shared your PHI based on your authorization, we cannot undo any actions we took before you told us to stop.

For Payment: We use and disclose PHI as necessary for payment purposes. For example, we may use your PHI to process a claim or may give information to a doctor's office to confirm your benefits.

For Health Care Operations: We use and disclose PHI for our health care operations such as customer service, premium rating, fraud and abuse prevention and detection, and other functions related to your health policy. For example, we may use PHI to review the quality of care and services you get. We may also use PHI to provide you with case management or care coordination services.

For Treatment Activities: We do not provide treatment. This is the role of a health care provider such as your doctor or a hospital. But, we may share PHI with your health care provider so that the provider may treat you.

To Others: You may authorize us in writing to give your PHI to someone else for any reason. Also, if you are present, and provide authorization, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are unavailable, incapacitated, or facing an emergency medical situation, we may share limited PHI with a family member, friend or other person if sharing your PHI is in your best interest.

As Allowed or Required by Law: We may also use or disclose your PHI, as allowed by federal law, for many types of activities. PHI can be shared for health oversight activities. It can also be shared for judicial or administrative proceedings, with public health authorities, for law enforcement reasons, and to coroners, funeral directors or medical examiners (about decedents). PHI can also be shared for certain reasons with organ donation groups, for research, and to avoid a serious threat to health or safety. It can be shared for special government functions, for workers' compensation, to respond to requests from the U.S. Department of Health and Human Services and to alert proper authorities if we reasonably believe that you may be a victim of abuse, neglect, domestic violence or other crimes. PHI can also be shared for any purpose as required by law.

We may share PHI with the sponsor of the plan or use in the administration of the plan. Plan sponsors that receive PHI are required by law to have controls in place to keep it from being used for reasons that are not proper.

YOUR HIPAA PRIVACY RIGHTS
